let everybody interested come and see now it is himself. There are no bears in the market; they are all buils.

offerings were not so i rice as they would behind her sist rs. have been if the prospect had been more encouraging. Some valuable and desirable stock which had been entered was with drawn several days ago. The pric s were not hig , but vastly better than was anticinated in the morning. Twenty-five or thirty head of horses and mules were sold at prices result which we think assures the permanence of the monthly stock sale as an institu tion in the county.

Dr. John L. Doggett returned yesterday from a visit to Smithton, where he spent a week-long enough to become thoroughly infected with the read epidemic, now and for some time back raging in that neighborhood and through Morgan county. The disease is in no respect similar to "Painter's colle." People who have it double up wits pick in their hand-, trying to make holes in the ground, in the bottom of which they expect to find fortune and not graves Near Versailles a chunk of mineral has been uncov ered in the bot om of a shart, the estimated weight of which is 20,000 lbs, and the suppo sition is that they have only struck a small corner of it. We congratulate the people worth digging for, but don't propose to go an adventure down in Pettis or Morgan.

Rev. James A. Quarles.
